# WOMEN'S *Collection*

# MEN'S *Collection*

With a legacy of over 3 decades, Study by Janak, has carved a niche for themselves in both – the Stylized Occasion Wear for Men & Women as well as Made to Measure industries in India.

Launched in the year 1986, the brand has positioned itself as a bridge between premium & luxury segments of the Fashion Industry.

The communication, merchandise as well as the service standards of the brand are at par with the global luxury brands.
